CHARGING & REMISSIONS'

WHY?

To ensure that there is clarity over all items school will provide free of charge or for items where there may be a charge.

WHO?

The Head Teacher will ensure that staff are fully aware of and comply with the policy.

The Governors of the School will review the policy annually at the start of the academic year.

HOW? WHAT?

Voluntary contributions may be sought for other activities during the school day which could entail additional costs, for example, visits out of school and visitors to the school.

No pupil will be prevented from participating because his/her parents cannot or will not make a contribution. (However, if insufficient funds are available, then it may be necessary to cancel activities).

OPTIONAL ACTIVITIES OUTSIDE OF THE SCHOOL DAY

We will charge in full for activities provided outside of the normal school day. For example, an evening theatre production, school disco or a school performance. These activities are not part of the National Curriculum or religious education nor are they part of an examination syllabus.

RESIDENTIAL VISITS - OVERNIGHT STAY

Residential visits are usually an expression of interest and will initially be sought in order to determine the potential costs involved. Once an expression of interest is received, it is expected that parents or carers will pay the fee for board, lodgings and transport. The fee for the visit will never exceed the actual cost.

CANCELLING VISITS

Where insufficient voluntary contributions are raised to fund a residential visit or trip, and the shortfall cannot be made up, then the visit will be cancelled. The decision will be made by the Head Teacher.

Where possible, refunds will be made, but not where financial commitments have been made by the school with parents fully aware. Where activities have been cancelled by the school due to lack of enough funds raised, the school will return all deposits paid.

In line with the School's Behaviour Policy, if a child has demonstrated inappropriate behaviour resulting in us being unable to risk assess effectively, we will take the decision that your child will be unable to attend. If this is the case, there is no

guarantee that any monies paid would be refunded. You will be forewarned of this prior to issuing the ban.

EXTRAS

Charges in full may be requested for some activities that are known as “optional extras”. The charge cannot exceed the actual cost of providing the optional extra.

Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges in full. For these activities, there is no support for children in receipt of Pupil Premium.

On receiving information that a parent is experiencing difficulties with payments for a forthcoming visit the parent must seek advice from the Head Teacher/Business Manager whereby an instalment plan may be arranged. Any discussions with the Head Teacher/Business Manager regarding individual family’s financial circumstances will remain confidential.

SCHOOL MINIBUSES/ALTERNATE TRANSPORT

A charge will be added to activity visits where the school minibus or an alternative transport is used to supplement coach hire.

CALCULATING CHARGES

When charges are made for an activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who cannot or will not.

MALICIOUS DAMAGE

Where it can be proved that a child or group of children have caused damage to school property or resources, a charge may be made to parents or carers in order to replace/repair the damage that has been made.

LATE COLLECTION/NON-COLLECTION AT THE END OF THE SCHOOL DAY/SESSION

If you are unexpectedly late collecting your child and you have informed us, we will support you on these exceptional circumstances. However, a charge will be made for childcare for any child not collected by 3.20pm if no contact has been made. The charge will be for the member of staff who will provide the care and administration time.

This will also apply to morning nursery pupils who are not collected by 11.50am.

If you are late on more than one occasion or we begin to see a regular pattern emerging then your child will be placed in the after school club provision, this will be a cost of £3.50 up to 4.30pm and £5.50 up to 6.00pm per child. Morning nursery will

also incur a £3.50 late collection fee. Please refer to the child collection policy.
