Friday 12th April 2024-Edition number 11

Dear All..

Welcome back to the Summer Term, where hopefully the rain, wind and freezing temperatures will cease, and the sun will shine! This is a packed term, with lots of activities planned alongside external Year 6 SATS, Year 1 Phonics, Year 4 Multiplication checks. Detailed curriculum plans can be found on our website.

On a personal note, thank you for all your kind messages and comments regarding this being my final term. I particularly like the children's comments that how I can be old enough to retire!

Have a great weekend!

Welcome to Queen Vic!

We are pleased to welcome this term Mrs Barks and Miss Coley. They join us from Stour Vale to support our continued push for improved provision for our children. If you see them around do say hello!

Parent Questionnaire March 2024

Thank you if you completed our online questionnaire before Easter. It really does help us to reflect on the work we do here at Queen Vic.

91% would recommend the school to other parents, which is wonderful. We do agree with you that extracurricular activities need to be improved. The company we set up for this year has let us down, and we have struggled to find alternatives. School trips were also mentioned and whilst we were trying to keep costs down for parents, we do appreciate that this is something you would want more of. Behind the scenes the leadership team are working to address this.

Remember if you do have any ideas or suggestions do email school via info@queen-vic.dudley.sch.uk

Successful Pioneers!

To celebrate our wonderful children and all their amazing achievements, do remember your child can bring into school any medals, awards, successes from outside of school. Mrs Rindl loves to hear all about them. Just like this week Frankie (Year 6) has recently won medals for his boxing and been praised for his attitude and support of younger boxers in his club.

True Pioneer spirit shown there!
