

SCHOOL NEWSLETTER

Friday 10th May 2024-Edition number 13

Dear All,

I hope you all enjoyed the Bank Holiday weekend, here in school we have tried to squeeze 5 days into 4 this week!

It has been lovely to enjoy warmer weather as well this week. A plea to you all-please put names in jumpers and cardigans- it is difficult to return 'abandoned' jumpers to their rightful owner without a name. Remember to add names to sunhats too please.

A really big shoutout to our amazing Year 6 children who next week start their SATS. We have been really impressed with their attitude towards schoolwork this year and their desire to improve. SATS are a measure at a point in time in Reading, Grammar, and Math's, they are a snapshot of a child's current ability. SAT'S don't measure a child's scientific knowledge, their ability to speak French, or hit a rounder or play a musical instrument. They don't measure a pupil's leadership skills, or how they can support a friend, or become a team player. Year 6 will apply themselves next week as they have all year with gritted determination. We wish them tons of luck next week!

Coming up after May half term will be the Year 4 multiplication check, and the Year 1 phonics check, more information will follow for those specific year groups.

Many Thanks

Mrs Rindl

Attendance Update

Each Friday in school we celebrate the classes who have got over 95% attendance for the week. Those classes are currently collecting jewels for their Queen Vic Crown. A full set of jewels will result in a class treat.

We fully appreciate that children are poorly and have to miss school. What we want to highlight is the number of children who miss a day without a valid reason. Thank you for speaking to us on the gate, phoning or leaving a message or contacting school when your child is absent, that does help our office staff. If you are experiencing any problems do speak to Mrs Halford, Mrs Walker or Mrs Farmer. We are here to help!

This Week-Well Done to.....
